Financial Aid

The College attempts to assist students in meeting their financial needs for education. Qualifications for financial aid are determined from the results of a completed federal student aid application. Types of aid include:

Grants and scholarships. These forms of aid are considered "gift" aid, as no work or repayment obligations are required. For scholarships, however, specific eligibility criteria must be met, such as scholastic achievement, participation in outside/community activities, and demonstrated leadership potential.

Loans. There are two types of loans: long-term and short-term. Long-term loans must be repaid whenever enrollment status drops below half-time (less than six credit hours). Short-term loans are made directly by the College and normally must be repaid within 90 days of the date the loan was made.

Federal work-study. This program provides an opportunity to earn money through part-time employment with the College. The type of work and working hours vary.

Advisor Listing

Advisors
All curricular students have an advisor who is a great resource person. Advisors act as academic consultants and help students plan their program of study for graduation, employment, or transfer. Students must contact their advisor for assistance with registration, drop/add, or withdrawal from courses or the College. Advisors also need to be contacted prior to applying for graduation to make sure all graduation requirements have been met.

Registration

Registration
Follow the steps listed below to make registration relatively quick and easy (see academic calendar for actual dates).

- ✗ Meet with your advisor to complete registration form (veterans benefits recipients see Veterans Affairs Officer first).
- ✗ Have registration form approved by advisor and Dean of SDS.
- ✗ Present registration form to Registrar.
- ✗ Obtain necessary forms from Financial Aid Office personnel (if receiving financial aid).
- ✗ Pay tuition and fees in Business Office and receive validated registration form.
- ✗ Pick up/validate ID card (serves as library card and costs $5 to replace).
- ✗ Present validated registration form to Veterans Affairs Officer (if veteran).
- ✗ Present validated registration form to instructors on first day of class.

Prerequisites
Some courses require prerequisites-courses that you must have already passed or approval of instructor. If you have not met the prerequisite requirement, you cannot take the course. Course prerequisites are listed under each course description in the College catalog.

Transfer Credit
Credits earned at another accredited institution in which at least a **C** (**B** for nursing core courses) was received will be accepted if appropriate to your program of study and if a comparable course is offered at the College.

Should you change programs, you will receive credit toward the new program of study if the credits previously earned are required for the new program.

Special Credit Students
Special credit students are students who register for one or more credit hours without declaring a major. These students may be exempt from taking the placement test and from counseling. Up to 15 semester hours of credit can be taken before a major must be declared and all pre-admission requirements met. If a major is not declared by this time, audit credit will be received for all hours completed after the initial 15. **Note:** Admission into some courses requires placement testing.

Tuition & Fees

Tuition
Tuition is set by the NC State Board of Community Colleges and is subject to change without notice. Tuition is due at the time of registration, and students may not attend class until it is paid. Tuition is not charged to NC residents 65 or older.

Residence Classification for Tuition Purposes
Under North Carolina law (copies of which can be found in SDS), you qualify as a NC resident for tuition purposes if you have resided in NC as a legal resident for the 12 months immediately preceding enrollment, thereby being eligible for a tuition rate lower than that for a non-resident. Additional criteria may have to be met.

Concerns regarding this classification and/or subsequent changes should be directed to the Dean of SDS. Residency classification or reclassification may be appealed by following the College's student appeal procedure.

Activity Fee
A fee used to fund student activities is collected from all curricular students (except senior citizens) at the time of registration. The fee charged is based on the number of credit hours being taken.

1 to 5 credit hours	=	$ 8.50
6 or more credit hours	=	$17.00
For all curricular students, during summer term	=	$ 4.00

Insurance Fee
Students are required to purchase accident insurance ($1.25 per semester) at the time of registration. The coverage is good for the current registered semester and is in effect while on campus or traveling to and from classes.

Transcript Fee
The first copy of your transcript is free; additional copies are $1 each. Transcripts will be provided within ten working days after receipt of the written request. Normally, requests are processed each Wednesday and Friday during fall and spring semesters; each Tuesday and Thursday during the summer term.

Transcripts will not be released if you owe the College money. The College will not fax a transcript to another school or business, nor will the College accept a facsimile transcript for official enrollment purposes.

Procedures

Student Grievance Procedure

All students have the right to raise a complaint or lodge a grievance claim whenever they feel an injustice or unfair treatment has occurred. You can carry your grievance directly to the Dean of SDS or the President, or follow the steps listed below to insure that the grievance is given proper attention.

✓ a. Request a conference with your curricular advisor. If the advisor cannot solve the problem to your satisfaction...

✓ b. you will be taken to the curricular chairperson (if different than your advisor). If the curricular chairperson cannot solve the problem to your satisfaction....

✓ c. you will have a conference with an SDS counselor. If the counselor cannot solve the problem to your satisfaction...

✓ d. you will be referred to the Dean of SDS. If the Dean cannot solve the problem to your satisfaction...

✓ e. you will be taken to the College President and a hearing will be held. Following the hearing, the President will issue a ruling, which will be final, subject only to the your right of appeal to the Board of Trustees, and ultimately the courts.

Reinstatement Procedure

If you are dropped from a course and wish to be reinstated, you must submit a request for reinstatement form to the Dean of SDS (or designee) within one working day after returning to the College.

The Dean (or designee) investigates all available evidence and makes a decision within one working day of the request. This decision is recorded in Section II of the form. You then must fill out Section III. Copies of the form are given to you, the instructor, and the Registrar.

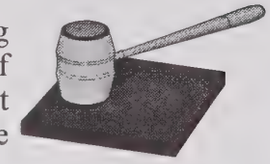
If you are absent a second time after reinstatement or fail to abide by any stated stipulation, you will be dropped with no further reinstatement consideration.

If denied reinstatement, you may follow the student appeal process. Attendance in the class under consideration is not allowed during the appeal process.

Student Appeal

If ever you are given notice of suspension or expulsion, you are entitled to procedural due process. Abide by the following procedure to appeal a decision.

- 1. Present, within five working days, in writing, the reasons for the appeal to the appropriate dean to ask for a Board of Review, which is appointed by the President.
- 2. The Board will hold a hearing within five working days of the receipt of your appeal. Either party can have counsel and/or witnesses heard.
- 3. The Board will determine the facts of your case based on the evidence presented, giving prime consideration to whether a school policy or law has been violated and whether you are the guilty party.
- 4. The charges will be reviewed as presented by the Dean and a written copy of the Board's findings will be given to the President (the final administrative authority) within five working days.
- 5. The President will issue a decision to uphold or reverse the Dean's decision and notify you within two working days of receipt of the Board's findings.
- 6. You will notify the President in writing requesting a hearing before the Board of Trustees if the appeal has not been resolved at this final step in the College's administrative process.



In all cases, suspension or expulsion will remain in effect throughout the appeal process.

For further information about any of the policies or procedures listed in this handbook, come to SDS.

Things You Need to Know

Communicable Diseases

Persons infected with a communicable disease will not be excluded from enrollment or restricted in access to college facilities or services, unless medically-based judgements deem it necessary to the welfare of that person or other persons.

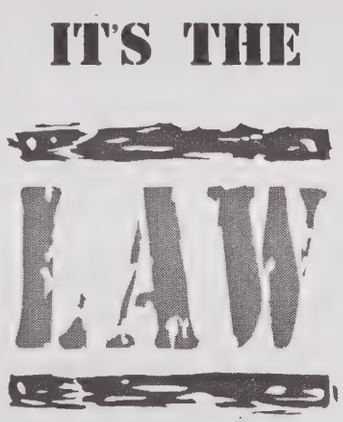
Communicable diseases include, but are not limited to: chicken pox, hepatitis, measles, tuberculosis, meningitis, mononucleosis, whooping cough, AIDS, AIDS-Related Complex, and sero-positive to AIDS virus.

If you know you are infected with a communicable disease, you are to share this information, confidentially, with the Dean of SDS or appropriate administrator. If you know or suspect you have a communicable disease, you are expected to seek expert advice about your health circumstances. You are ethically and legally obligated to conduct yourself responsibly for the protection of other members of the community.

Weapons on Campus

Weapons are not allowed on campus. North Carolina General Statute 14-269.2 "Weapons on campus or other educational property," states that

- ✗ to possess or carry, openly or concealed, any gun, rifle, pistol, or other firearm on educational property is a Class I felony.
- ✗ to cause, encourage, or aid a minor to possess or carry any firearm, openly or concealed, on educational property is a Class I felony.
- ✗ to possess or carry, openly or concealed, any BB gun, stun gun, air-rifle, Bowie knife, dirk, dagger, slingshot, leaded cane, switch-blade knife, blackjack, metallic knuckles, razors or razor blades (except for personal shaving) on educational property is a Class I misdemeanor.



The College will enforce appropriate charges, both college and criminal, against any person found possessing a weapon if the weapon is not being used for college instructional courses.

Drugs and Alcohol

The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol is prohibited on college premises or as part of any college-sponsored activity. Students violating this rule will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution. They also may be required to successfully finish a drug abuse program sponsored by an approved private or governmental institution as a precondition for continued enrollment at the College.

Students convicted for violation of any federal, state, or local crime drug statute must inform the College within three days after the conviction. A conviction means a finding of guilt (including a plea of nolo contendere) or the imposition of a sentence by a judge or jury in any state or federal court. Students convicted of violating any alcoholic beverage control statute also must inform the College within three days.

The term "controlled substance" means any drug listed in 21 CFR Part 1308 and other federal regulations, as well as those listed in Article V. Chapter 90 of the North Carolina General Statutes. These drugs generally have a high potential for abuse and include, but are not limited to, heroin, marijuana, cocaine, PCP, and "crack." They also include "legal drugs" which are not prescribed by a licensed physician.

The term "alcoholic beverage" includes beer, wine, whiskey, and any other beverage listed in Chapter 188 of the North Carolina General Statutes.

Student Conduct

Students are expected to conduct themselves with honor and exhibit standards of responsible citizenship. Any student who impairs, impedes, or disrupts the legal missions, processes, or functions of the College may be subject to suspension or expulsion from the College, and in some cases, referred to civil authorities.

Identification Cards

The ID card is your means of identification for library privileges, athletic events, financial aid awards, and any other college function or service you may be entitled to as students. There is a $5 charge to replace any lost or mutilated card, and you are liable for all obligations incurred by the use of this card. PROTECT IT! Upon graduation, withdrawal, or dismissal from the College, your ID card must be turned in to SDS.

More Things You Need to Know

Crime Awareness and Campus Security Act of 1990
The College recognizes the importance of a safe and secure campus environment and is committed to providing adequate and appropriate means to ensure the well-being of all students, faculty, staff, and visitors.

The College makes a concerted effort to address crime awareness annually in employee and student orientations, in employee and student publications, and in seminars sponsored by SDS.

Faculty, staff, and students play a major role in the success of crime prevention programs by taking individual precautionary steps to avoid becoming a crime victim, as well as by working together as a campus community.

Only authorized personnel have access to college facilities after regular hours of operation. Written requests for use of college facilities during non-operating hours must be submitted to the Business Manager at least one week prior to the date needed.

Known or suspected violations of federal and state laws occurring on campus should be reported to the Business Manager. Criminal incidents occurring at off-campus, college-sponsored activities should be reported to the law enforcement agency having jurisdiction and then to the Business Manager.

Campus security is comprised of authorized deputy sheriffs of Hertford County and non-sworn employees without authority granted by NCGS 74-A. These personnel receive support from local, county, and state agencies having jurisdiction.

As required by the provisions of the Crime Awareness and Campus Safety Security Act of 1990, the following statistics are provided for your information.

Student Right-to-Know
As required by Public Law 101-542, "Student Right-to-Know," the College maintains information concerning completion and graduation rates. Come to SDS for more information.

Access to Records
All student records (records maintained by any unit of the College) can be examined and/or challenged by any currently enrolled student 18 years or older and parent(s) of a current dependent student or student younger than 18. Confidential records, such as records created by an individual staff member for member's eyes only, those of counselors and financial records of parents, are excluded and not open to students or parents.

Other than directory information (student's name, address, telephone, program of study, participation in official activities, awards, and degrees), student records may not be released without written consent of the student or parent of a minor. Records subpoenaed by the legal authorities will be released only when the student or parent is notified.

If you do not want directory information released, you must make the request in writing. Come by SDS for assistance.

Lost and Found
All personal items found or lost on campus should be reported to SDS. Items turned in may be claimed upon proper demonstration of ownership.

Telephone Calls and Usage
Students cannot receive telephone calls or messages, except in cases of emergency. In these cases, every effort will be made to relay information to the appropriate person. Regularly check classroom doors and the bulletin board near the Business Office for messages.

Pay telephones are located in the student lounge of the Jernigan Building, the lounge in the Freeland Building, and in the main entrance of the Young Building.

Even More Things You Need to Know

Student Classification and Status
Students having completed less than 30 semester hours of credit are classified as freshmen and as a sophomores when they complete 30 or more credit hours. Developmental course work (courses level 100 and below) do not count in calculating student classification.

You are considered full-time when you carry 12 or more credit hours a semester (9 hours in the summer); part-time when carrying less than 12 credit hours a semester.

The maximum course load for fall and spring semesters is 19 credit hours. Overload hours will require special permission from the division director before the registration form will be processed. Appeals may be made to the Dean of Instruction.

Student Government Association
The purpose of the Student Government Association (SGA) is to represent students' ideas and concerns to the administration, faculty, and staff. It also sponsors dances, cookouts, talent shows, field days, movies, intramural sports, and more. They are fun -- so listen and look for announcements of activities and join in.

New Clubs/Organizations
The SGA grants charters to all RCCC clubs or organizations. In order for a club or organization to be recognized and chartered, it must formulate a constitution and bylaws containing the following:

- ✓ objective of the club or organization and criteria for membership. Membership shall not be denied an individual on the basis of race, color, religion, age, sex, disability, national origin, or political affiliation
- ✓ proposed officers and their duties, dues, fees, assessments, etc.

For more information, consult the SGA Constitution, which is located at the back of this handbook.

Emergency Situations
In case of fire emergency or drill (which is signaled by a constant ringing of the fire bell system), do the following:

- ✓ close classroom windows and doors
- ✓ evacuate the building using the nearest fire exit from any room
- ✓ evacuate in a quiet, orderly fashion (single file--no running or pushing)
- ✓ move and remain at least 200 feet from the building

In case of a tornado (a tornado warning will be announced on the public address system), do the following:

- ✓ open as many windows in the exterior wall as practical
- ✓ relocate to areas offering the greatest tornado resistance, such as interior classroom, halls, or vaults
- ✓ sit on the floor with backs to corridor walls or glass areas. Coats and jackets should be used to cover head, arms, legs, as to reduce injuries from flying glass and other debris

Inclement Weather
In case of bad weather conditions, listen to the following radio and television stations to see if the College will be closed or late in opening.

Radio Stations:
Ahoskie-WRCS-AM 970
WQDK-FM 99.3
Murfreesboro-WDLZ-AM 1080
WWDR-FM 98.3
Windsor-WDRP-FM 98.9
Edenton-WZBO-AM/FM 102.5
Elizabeth City-WMYK-FM 94

Television Stations:
Norfolk-WTKR Channel 3
Portsmouth-WAVY Channel 10
Washington - WITN Channel 7
Greenville-WNCT Channel 9

If early dismissal is necessary due to worsening weather conditions, an announcement will be made on the College's intercom system and the radio and television stations listed.

Remember: If no announcement is made on one of the above stations, assume the College will operate on a normal schedule. Do not call the stations or the College. Other public and private school closings in Hertford and surrounding counties do not mean that RCCC will close.

Still More Things You Need to Know

Learning Resources Center
The Learning Resources Center (LRC) is one place with which you need to become familiar. It has many resources and services to help you during your educational studies. Located in the middle of the Jernigan Building, the LRC consists of the library, the alternative learning center, the computer-assisted instruction lab, and the audiovisual department. Open from 7:30 a.m. until 9:30 p.m. Monday through Thursday and 7:30 a.m. until 4 p.m. on Friday, excluding summer months when the College operates on a four-day week, the LRC is closed at nights during semester breaks. Remember to bring your student ID card--you'll need it to check out materials.

Attendance
The College considers regular class attendance and promptness important to good scholarship. Instructors who have students experiencing attendance problems are encouraged to refer these students to one of the counselors in SDS.

Absences from class do not relieve you of meeting all the requirements of the course. Regardless of the reason, when you accumulate absences totaling 15 percent of the instructional hours, the instructor can drop you from the course. Being late three times also will be recorded as one hour of the absentee limit for that course. If you choose not to attend a class, you must process a drop form in the Registrar's Office.

If you are dropped for excessive absences, you may seek reinstatement by completing a request for reinstatement form, copies of which are maintained in SDS.

Withdrawal from the College
If you decide to leave the College, see your advisor first. Please just don't stop going to class-- this could get you **F**s. It only takes a few minutes to obtain the proper forms from your advisor or SDS, and it will prevent problems for you later.

Dropping/Adding Courses
You can add courses from the first day of registration through the third day of classes. Courses can be dropped without penalty through the 60 percent point of classes (see academic calendar for exact dates). The procedure for adding/ dropping a course is given below.

✓ Obtain a drop/add form from SDS.

✓ Complete the form, have appropriate instructor(s) initial the form, and record your last date of attendance for each class you are dropping.

✓ Get advisor to sign the form.

✓ Submit the form to the Registrar's Office for processing.

✓ Take the validated form to the Business Office to make additional payment (if required) or pick up your revised registration form, or both.

✓ Complete an application for refund of tuition if you are due a refund.

Graduation
Annual graduation exercises are held at the end of the spring semester regardless of when you complete your graduation requirements. All graduates are encouraged to participate and to invite guests. A $30 graduation fee is required and covers the cost of cap and gown, the award earned, and ten invitations. Extra invitations can be purchased from the Registrar. Additional degrees, diplomas, or certificates earned cost $5.

To participate in graduation exercises, you must satisfy all course requirements within your program with the required standards, file a completed application for graduation in the Registrar's Office, pay the graduation fee, satisfy all financial obligations, and attend graduation rehearsal. Important information regarding graduation will be posted on bulletin boards and the electronic display. Students not participating in the graduation ceremony must pay a $3 postage fee for their award to be mailed to them.

Honor graduates will be determined at the end of the spring semester that precedes the graduation ceremony based on overall grade-point average and hours of credit earned at RCCC. To graduate with honors, you must meet the following criteria:

✖ You must have earned a cumulative grade-point average of 3.75 on all course work attempted at the College.

✖ You must have a minimum of 32 semester hours of credit in an associate degree program, 18 semester hours of credit in a diploma program, or 12 hours of credit in a certificate program. Only course work required for the program of study will be counted.

Grading Policy And Other Important Info

Grading Policy
At the end of each course for which you are registered, you will receive a final grade. Instructors determine final grades using the following system:

A	Excellent	90-100
B	Good	80-89
C	Average	70-79
D	Poor	60-69
F	Failure in performance	

***I** You will receive an **I** (Incomplete) when the work required has not been completed for reasons beyond your control. An **I** must be removed by the last day of the add period of the next semester or the **I** will automatically become an **F**. If an **I** is received, you cannot re-enroll in the course.

***NE** You will receive an **NE** (Never Entered) when you officially register for a class and never attend. **NE** will be non-punitive and will not affect your quality points. **NE** will be reported by instructors on the 10% attendance roster and posted to your academic transcript at that time.

***AU** You will receive an **AU** when you audit a course (attend classes without taking tests or receiving credit) or repeat a course in which a grade of **C** or higher was earned. If you wish to audit a course, you must submit a completed admissions application to the Admissions Office, follow regular registration procedures, attend classes regularly, participate in class activities, and abide by all other college regulations. An audit course cannot be changed to credit nor can a credit course be changed to audit after the deadline for dropping a course without penalty. You may repeat the course for credit; however, you may audit the course only once. The hours of an audited course will be counted as part of a student's load and will be subject to overload restrictions. The **AU** will not be converted to a letter grade.

***W** You will receive a **W** when you officially withdraw (nonattendance is not an official withdrawal) from a course before the 60 percent point of the course. After this point, if you fail to complete course requirements, you receive an **F**. In the event that you must withdraw beyond the 60 percent point because of extenuating circumstances beyond your control, you could petition the appropriate curricular divisional director for a **W**. Any course dropped after the 60 percent point will be counted as work attempted for financial aid purposes.

***CE** You will receive a **CE** when you successfully complete a proficiency examination. This exam can be taken only with permission from the appropriate department chairperson and must be taken before the end of the add period. This grade is awarded for credit hours only (when you score at least an 80); regular registration procedures and tuition rates apply for all courses attempted by proficiency exam.

*These grades do not affect your quality points and are not computed in your grade-point average.

Course Make-Up Work
Instructors may establish procedures for make-up work.

Repeating Courses
You may repeat a course for credit if a grade of **D** or **F** was earned, and only under the condition that in each case credit hours will be considered hours attempted and used in computing the quality point average.

Financial aid recipients and veterans benefits recipients will not receive assistance or benefits for repeating courses in which they have received a **D** grade unless required by the academic department.

Change of Program
If you decide to change programs of study, you must file a program change form (available in SDS) with the Registrar, who will recalculate your GPA on the basis of the new program.

Change of Name/Address
If you move, change your phone number, or change your name at any time, come to the Registrar's Office to complete a student status change form. You must present legal documentation such as a court order, marriage license, or divorce decree to change your name on student records.

Refunds
If you withdraw from classes, you may be eligible for a tuition refund. Refunds, however, are not automatic; they must be requested directly by you to SDS. There is a tuition refund form that must be completed before any refund will be considered.

Attention Pell Grant Recipients

Please be aware that if you do not successfully complete 67 percent of all credit hours you attempt within 150 percent of the initial length of the program, you may lose your aid and be subject to paying it back.

Computing Your Grade-Point Average

Computation of Grade-Point Average (GPA)
Each course is measured in semester hours (the number of hours of credit received for completing a particular class). Contact hours are the actual number of hours spent in a class per week.

Every grade, **A - F**, given is assigned a number or grade points.

Grade		Grade Points	Grade		Grade Points
A	=	4	D	=	1
B	=	3	F	=	0
C	=	2			

Example:

Step 1 Add the number of credit hours you are taking.

Courses	*Credit Hours*
BUS 110	3
ENG 111	3
ENG 111A	1
ACC 121	4
MAT 070	4
HIS 124	3

18 Total Credit Hours

Step 2 Assign each credit hour the proper number of grade points according to your final grades.

Grade Earned	*Credit Hours*		*Grade Points*
A	3	=	4
B	3	=	3
C	1	=	2
B	4	=	3
B	4	=	3
D	3	=	1

Step 3 Multiply your credit hours times the grade points for each course. This will give you the quality points for each course.

Credit Hours	*Grade Points*		*Quality Points*
3	4	=	12
3	3	=	9
1	2	=	2
4	3	=	12
4	3	=	12
3	1	=	3

50 Total Quality Points

Step 4 Divide the total quality points by total credit hours and you have your GPA.

$$50 \div 18 = 2.78 \text{ (GPA)}$$

Minimum Academic Requirements
A GPA of 2.00 for work taken at the College is required for graduation. The minimum cumulative GPA for remaining in good standing is shown below.

Attempted Credit Hours	*Diploma*	*Degree*
1-15	1.50	1.50
16-27	1.65	1.65
28-39	1.80	1.80
40-53	2.00	1.95
53+	2.00	2.00

Academic Warning
If you fail to maintain the minimum academic requirements, you will be placed on academic warning for the next semester (will not be allowed to pre-register and allowed to enroll in only nine semester hours). Should this happen, you will receive written notification from the Director of Admissions/Counselor, and you will have to see your advisor before registering again.

Academic Probation
Should you fail to re-establish the required average by the end of the academic warning semester, you will then be placed on academic probation and referred to a counselor. In this instance, you are considered to be making unsatisfactory progress and, therefore, not eligible for financial aid. Student status is calculated each semester for all full- and part-time financial aid students. Students on academic probation will be permitted to enroll in only six semester hours during the probation semester.

Academic Honors
Full-time students who maintain high academic standards are recognized each semester through the President's List or the Dean's List. These lists are posted around campus (efforts are made to publish in a newspaper in student's hometown).

The President's List requires a GPA of 4.0 (all **A**s); the Dean's List, 3.25 or better (no grade below a **B**). Both lists require that students complete at least 12 credit hours, none of which include courses numbered 100 or lower, and have no **I** grades.
